PLANNING COMMISSION
PLEASANTON TOWNSHIP
MANISTEE COUNTY, MICHIGAN

January 18, 2012

APPROVED - WORKSHOP SUMMARY

Kris Kranz (interim Chairperson) called the meeting to order at 6:20 pm.

Present: Kris Kranz - Vice Chair; Bob Peterson – Secretary; Bob Babcock – Township Board Representative; Marv Peska. Absent: Bob Stafford (Chairperson)

Others present: Rochelle Rollenhagen – Zoning Administrator.; Amy Cross – Recording Secretary

The Planning Commission reviewed a noise ordinance drafted by the township several years back (that was never approved). Discussion took place and comment was made on the length and content. Members also reviewed a noise ordinance from Manistee Township. Once a noise ordinance is put into effect, the Sheriff's Department enforces via a contract with the township at no cost. Will discuss further at the next meeting.

The current Accessory Building Amendment to the Zoning Ordinance was reviewed. Issue at hand: residents wanting an accessory building on a separate parcel in a different subdivision that is contiguous to the parcel that contains their residence. The current Accessory Building Amendment does not allow for this. Members reviewed a list of proposed changes. It was decided to discuss options at the next meeting.

Meeting adjourned at 7:20 pm.

Respectfully submitted,

Amy Cross
Recording Secretary
