| Topics Discussed | Discussion/Decision | Action/Responsible Party |
|---------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|
| <i>Meeting called to order Pledge of Allegiance</i> | | |
| <i>Roll call</i> | Merrill, Erdman, Wolverton, Monk - Present | |
| <i>Public Comment</i> | Issue with boater on point and land in front of Buell area. One Board member contacted, and Sheriff contacted. Issues with people dropping off/on road end. The park proposal does not affect the road end. Questioned signage and noise ordinance. Discussed swim buoy's – DNR – what can we do? Marine Safety discussion. Property value – question what will happen to property value for property next to park. | |
| <i>Prior meeting minutes</i> | Meeting Minutes May 20, 2019 reviewed. | <i>Motion by Erdman, second by Wolverton, to approve minutes, all in favor, motion carried</i> |
| <i>DNR Grant Update</i> | Merrill updated the group on the status – Grant has been extended to 1/30/2020, based on Buell family accepting the township offer. Bill Ringle is working with the Title company. DNR needs 60 days notification of sale due for transferring of funds into escrow. Group worked on list of items to review/do. Separate listing created for upcoming meetings. Also discussed grant applications for development and potentially for acquisition. Discussed placement of grills, and driveway/tree on Spicer preliminary plan. Wolverton will check with Pat at the Spicer Group regarding updated plan/info. Merrill has had three phone calls regarding removal of building on property, committee hopes to have removed at no cost to the township. | |
