<i>Prior meeting minutes</i>	Meeting Minutes September 16, 2019 reviewed.	<i>Motion by Monk, second by Erdman, to approve minutes, all in favor, motion carried.</i>
<i>Summary of Park project</i>	Merrill brought the newest member up to speed on the process that has been done regarding the recreational committee, projects and status.	
<i>DNR Grant Update</i>	Merrill updated the group on the status - The DNR has specific forms that need to be completed and the family is working on these. The title work is done, and the process is waiting on the DNR form paperwork prior to scheduling the closing.	
<i>Other Grant updates</i>	Wolverton, Erdman and Schweyer were scheduled to meet with Tim Ervin however this was canceled due to unexpected issues. Ervin did recommend the Passport Grant with a match from the Minger Grant. Merrill received an email from Karlyn Haas noting she was willing to assist. Both the Minger and DNR grant are due in April. We will need the Spicer costing update information prior to grant writing.	
<i>County Trail System</i>	Erdman updated the committee on the Zimmerman Trail behind Burger King in Manistee. The group is working on extending this from Hill Road to the Casino. There will be no snow mobiles allowed. They are working on Trail Maps defining motorized and non-motorized areas.
