Park(s) Update	**May Buell Park**: Bid for Shoreline erosion control. Received from Heyboer Landscaping. Schweyer has contacted Swidorski and Gillison for additional bids. No parking signs – Schweyer noted it was recommended to stencil the cement vs additional signs regarding No Bike or Skateboards and Enter water at each end of the cement on water side of park. Parking Bumpers – Schweyer noted Merrill talked to insurance agent and if they are properly installed and yellow, we should be okay. Beach Sand – Two deliveries this year. Kids utilizing the park love the piles and moving the sand around. Buoys – Looking good. Noted the cost of new buoys being $400+ vs getting new stickers. Mobi-mat – installed and looks good. Gauthier takes the blower to it a couple times a week to keep sand off.	*Gauthier to look at pricing and installation.*

	Gauthier has been working on trimming up the corner of the park brush. This includes cutting down invasive plants at park. It is a lot of work and looks great. Cleaning schedule – discussd morning vs evening cleaning. Most volunteers clean in the morning. Cross Walk – Gauthier noted expected roadwork will not be done till fall. Will wait till next year to paint crosswalk on the roadway.	
Township Hall Park	New split rail fence is being installed at Township Hall. Looks great. Swings – Schweyer noted Harvey is to order new swings for park. Erdman noted Pickleball surface has a gouge to patch. Possible fix if Mike can do. Tennis net is falling apart; we don't want to take apart or down this year but will need new for next year. Poles are also bent so the question will be if we replace the poles as well as tennis net.	*Schweyer to check with Harvey on new swings.* *Schweyer to check with Harvey/Morton to see if he can patch pickleball gouge.*
Pleasanton Park on Lakeside Avenue	New swings were installed. Schweyer and Erdman checked out condition of building at park. Looks good, it appears to have been a bathroom and changing room in the past. Thinking it could be for storage and possibly changing rooms. Recommend taking out bathroom stalls.	
Glovers Lake Public Access	Committee to look at Glovers Lake Public Access and give recommendations to board on improvements.	*Committee to look at Glovers Lake Public Access and let Linda know of any suggestions to bring to next board meeting.*
Committee Comment	It was noted that a resident complimented the clean up of Three Pines Road End and it looks great! The new maintenance man – Michael Morton has been doing a great job! Schweyer noted lots of people at the May Buell Park and enjoying.
