May Buell Park	Update on shoreline erosion control. Harvey spoke with Swidorski (contractor), and no additional dollars will be approved for contract. Wolverton noted based upon EGLE citation they have 60 days to comply with correction (Sept 6) Cleaning Schedule discussed. It was noted that most of the volunteers clean in the morning. Erdman moved cleaning day to Thursday. Erdman noted for two weeks there have been people in May Buell Park on Sunday evening she has reminded that the park closes at dusk. Wolverton cleans on Monday am so we will see how this schedule works and if we need the Sunday am cleaning. Email from Merrill (7/14/2026) regarding rope buoys and the color currently being blue vs red. Merrill noted we could update for next year with	

	new stickers. The committee noted the blue was fine for the rope buoys with the larger buoys being red.	
Township Hall Park	Tennis Court Net: Received and maintenance man to install. Erdman noted that pickleball is scheduled Tuesday and Thursday morning, 9-11 am. Ball field fence discussed. Board agreed with suggestion to remove fence. This has been added to the maintenance man schedule.	
Pleasanton Park on Lakeside Avenue	Dog Waste Station: Schweyer noted she is checking weekly and there has been some additional garbage in the waste receptacle. Recommend new lock and clasp on shed so it can be used for storage.
